# FS Securities

## Introductory booklet

## WHO WE ARE

FS Securities is a fully licensed stockbroking firm located on the Gold Coast, Queensland. Besides investing and trading on the stockmarket we offer general advice on managed investment, real estate and financial planning.

Our objective is to help our clients improve their trading and investment capital. We strongly believe in the **TED** principle, where **T**ools, **E**ducation and **D**iscipline, when combined, will enhance the probability of success. We endeavour to provide personalised and professional services to all our clients. We conduct in-house research and whilst there is no guarantee for continuous success on every trade, we believe that our research improves the probability of meeting our objectives.

## OUR BUSINESS INCLUDES:

- Stock market trading in Equities, Futures, Options, CFD's and Foreign Exchange
- Diverse range of investment properties
- Mortgage Investment funds
- Financial Planning (available soon)
- Education and Investment Advice
- Trading System Development
- Real Estate

Whether you are an experienced trader or just a beginner, FS Securities welcomes you with a commitment to successful trading and superior client/ advisor relationships.

- through regularly reviewing our clients' trading portfolio
- providing research and education
- simplifying trading through personalised and professional service

# What are your financial goals for the next 5-10 years?

Join our team at FS Securities to find out the secrets to planning a successful financial future. During the session we will discuss how to begin planning today with the end in mind.

# GEORGE BEYROUTHI

BSc., MBA, Dip Fin Services

Private Client Advisor/Educator

George heads up the education and research division at FS Securities. He has over 25 years experience trading; the last 9 years as a professional trader and educator. He is also qualified with RGI46, ASIC ADA1 and ADA2.

He has had good and bad experiences in trading Equities, Futures, Options, CFD's and foreign exchange. He has worked as a broker, technical analyst and more recently, as an educator and mentor for his clients.

George endeavours to share his knowledge with his clients, and is a strong believer in mechanical trading and knowing your reward and risk before trading.
